hey,I'm I chinese student,I am studing in bachelor(freshman),I wanna study abroad in German and enroll computer science college.As it happens,I see your school website,I think fh in more appropriate for me,and I have done lots of intership,be familiar with programming language(c,go,js) and program experience,I usually contribute to github opensource so that I accumulate a lot technology
so,I have some problems that about postgraduation admission qualification I want to know:
    1.after I get c2 certification and undergraduate,are there any other requirements that your school need
    2.if have,can your post me ,and describe details?
    3.I will be grateful if your call me back,thanks!!!!

Dear Sir/Madam,

Thank you for your interest to study at Karlsruhe University of Applied Sciences.

It is possible to apply for a Master's degree program if the following conditions are met:

1. The applicant must have an academic graduate degree (Bachelor or equivalent) in a related subject, with above-average grade.

2. The applicant must have one of the following German language certificates: DSH-2, TestDaF-4, telc C1 Hochschule or equivalent.

3. In case of degree programs in the field of management science: The applicant must have an English language certificate TOEFL 560 or equivalent.

Please note that all lectures and seminars are held in German language, therefore high-level German language knowledge is required. HKA offers preparatory language classes and the DSH exam https://www.h-ka.de/dsh#c28548 . You will find further information about recognised certificates and links at www.sprachnachweis.de

For information about the program and application requirements, please see https://www.h-ka.de/studieren/studienangebot/master and https://www.h-ka.de/bewerben-fuer-master/bewerben .

For application at HKA, please fill in the online *Antrag auf Zulassung zum Studium*, at https://www.h-ka.de/bewerben-fuer-master/bewerben . Please also print out the Antrag and send it by post together with the language certificate as well as certified copies of your education certificates to:

Hochschule Karlsruhe – Technik und Wirtschaft

Studentensekretariat

Moltkestr. 30

76133 Karlsruhe

Please note that some master's degree programs begin once a year only.

There is a tuition fee of 1,500 euros per semester for international students. Also, there are administrative and student service fees of 160 Euro in total per semester, which cannot be waived. Living costs in Karlsruhe are approx. 700 Euro per month. Applicants for student visa at the embassy will need to provide financial proof.

You might also find helpful to consult the German Academic Exchange Service's website for background information www.daad.de

We look forward to your news.

Yours sincerely,

Ms Silke Neureuther

Deputy Director
